

Friend of the Illinois New Teacher Collaborative:

Registration for the Illinois New Teacher Collaborative Beginning Teacher Conference “Y2: Moving Beyond Survival” is now open. This conference is open to teachers all grade levels and content areas, completing their first year of teaching in Illinois and takes place on June 25 and 26, 2013 in Champaign.

Beginning teachers face unique challenges and rewarding experiences in their first year. The Y2 conference is an opportunity for them to:

- Reflect on and share the past year’s teaching experience
- Network with beginning teachers from around the state
- Gain valuable teaching tools and ideas to use in your classroom
- Hear a motivational speaker

There is no conference fee, and hotel rooms for the night of June 25th will be provided by INTC thanks to the generous sponsorship of the State Farm Companies Foundation. Attendees are responsible for the cost of their own transportation and any additional personal expenses incurred. CPDUs will be available.

Y2 is a two-day conference for new teachers who are just completing their first year of teaching.

Registration is now open. Conference size is limited.
