

Making Student Discipline Reform Work

Last year, a new Illinois law required school districts to revise their practices regarding out of school suspensions and expulsions. This presentation provides the context for why the law was passed, dispels common misconceptions about the law, and offers a roadmap for local associations and districts to apply the law in ways that should improve learning and working conditions throughout your district and in your classroom.

Speakers Include:

Paul Klenck, IEA Deputy General Counsel

Nancy Acosta, UniServ Director, Region 28

Date: Monday, Oct. 16th, 2017

Time: 5pm—7pm
